6. Are there any other factors or data which should be taken into consideration in assessing progress?

7. Organisations should produce a detailed WRES Action Plan, agreed by its Board. Such a Plan would normally elaborate on the actions summarised in section 5, setting out the next steps with milestones for expected progress against the WRES indicators. It may also identify the links with other work streams agreed at Board level, such as EDS2. You are asked to attach the WRES Action Plan or provide a link to it.
