Variations:

If you would like to add a small pattern on the skirt then please feel free to do so. I have enclosed the ribbon to attach at the back so that we can fasten the gown.

Finally, if you are able to adjust the pattern to make some gowns hat are a little smaller and or a little larger that would be a great help.

White is the preferred colour but ivory or other very pale shades could also be used.

*Thank you so much for taking the time to make these little
